

SYSTEM PROTECTION LIMITED LIFETIME WARRANTY

Limitations on the transferability of this limited lifetime warranty are set forth herein.

THIS LIMITED LIFETIME WARRANTY GIVES THE ORIGINAL PURCHASER (the "Purchaser") SPECIFIC LEGAL RIGHTS, AND PURCHASER MAY ALSO HAVE OTHER RIGHTS THAT VARY FROM STATE TO STATE.

FOR CANADA ONLY: THE TERMS IN THIS LIMITED LIFETIME WARRANTY, EXCEPT TO THE EXTENT LAWFULLY PERMITTED, DO NOT EXCLUDE, RESTRICT, OR MODIFY BY AND ARE IN ADDITION TO ANY PROVINCIAL LAWS.

INTRODUCTION

Thank you for your recent purchase of Roofing Shingles and Components manufactured by Owens Corning Roofing and Asphalt, LLC ("Owens Corning"). We believe we manufacture the highest quality and most attractive Roofing System ("Roofing System") available anywhere, and that is why we stand behind them with one of the best warranties in the industry. If anything in this limited lifetime warranty is not clear to Purchaser, please call us at 1-800-ROOFING (766-3464) or visit our website at www.owenscorning.com/roofing.

WHO IS COVERED

To be entitled to the benefits of this System Protection Limited Lifetime Warranty: (1) Purchaser property must be located in the United States or Canada and (2) Purchaser must be either (a) the original consumer purchaser (the property Owner, not the installer or contractor) of a complete Owens Corning® Roofing System, as defined below, by Owens Corning Roofing and Asphalt, LLC and be in accordance with the "**Eligibility Requirements for This Limited Lifetime Warranty**" below or (b) the first person to whom the original purchaser transfers this limited lifetime warranty along with ownership of the structure on which the shingles are installed (either person described in [a] or [b], "Owner"). In addition, the entire Roofing System must be installed by an Owens Corning Roofing Platinum or Preferred Contractor according to Owens Corning application instructions. The Roofing System is comprised of Owens Corning® Shingles and accessory products. The products ("Products") that comprise the Owens Corning® Roofing System are Owens Corning® Shingles, Owens Corning® VentSure® Ventilation, Owens Corning® Hip & Ridge Shingles, Owens Corning brand synthetic underlayment, listed below, Owens Corning® Starter Shingles, and Owens Corning® Self-Adhered Ice & Water Barrier products, listed below. For detail regarding transferring this limited lifetime warranty, please see "**Transferability of This Limited Lifetime Warranty.**"

ELIGIBILITY REQUIREMENTS FOR THIS LIMITED LIFETIME WARRANTY

1. Purchaser's Roofing System must be installed by an Owens Corning Roofing Platinum or Preferred Contractor who shall install the roof as per the specifications outlined in 2-5, below, and this limited lifetime warranty must be registered by Purchaser's Owens Corning Roofing Platinum or Preferred Contractor with Owens Corning within 60 days of the installation.
2. Purchaser's Roofing System must cover the entire structure, be installed over a ventilated roof deck, and include a code-approved underlayment. Incomplete roofs installed on a portion of a building do not qualify nor do roofs installed over non-ventilated decks. Purchaser's Roofing System must be installed according to application requirements published by Owens Corning and in accordance with local building code requirements, which are in effect at the time of installation.
3. Purchaser's Roofing System must be installed over a clean roof deck per Owens Corning requirements with all existing roofing material and debris removed, including but not limited to felt, ice and water membrane, raised nails, flashing materials for chimneys, skylights, soil pipe boots, ridge and off-ridge vents, etc. Repairs must be made to any damaged areas, such as loose or cracked mortar on chimneys or rotten wood decking.
4. For Purchaser's roof to qualify as a complete Roofing System, Purchaser must have purchased and installed Owens Corning® Shingles and Owens Corning® Hip & Ridge Shingles. Owens Corning®

Hip & Ridge Shingles include Berkshire®, DecoRidge®, DuraRidge®, ImpactRidge®, ProEdge®, and RIZERidge®. (Exception: If Purchaser's roof has Supreme® Shingles, Owens Corning® Hip & Ridge is not required.) In addition, Purchaser must purchase and install any 2 of the 4 products listed below (one product from each category where applicable):

- a. Owens Corning® VentSure® Ventilation products: If a VentSure® product is used, it should be part of a balanced air ventilation system consisting of both functional intake and exhaust ventilation products. If a VentSure® Intake Vent AND VentSure® Exhaust Vent are both used, this will count as 1 of the 3 requirements. This limited lifetime warranty excludes VentSure® Off-Ridge Exhaust Vents.
- b. Owens Corning brand synthetic underlayment products, RhinoRoof® U20 roof underlayment, or Titanium® brand synthetic roof underlayment products. Installing a qualifying Owens Corning® Self-Adhered Ice & Water Barrier product covering the entire deck also meets this requirement and Section (d) below.
- c. Owens Corning® Starter Shingle products; and
- d. Owens Corning® WeatherLock®, Titanium®, or RhinoRoof® Self-Adhered Ice & Water Barrier products.

Exception: If roof has Supreme® Shingles, Owens Corning® Hip & Ridge is not required. If owner doesn't use Owens Corning® Hip & Ridge listed above, then owner must use one component from each of the 4 categories (a-d).

5. All details and flashings are to be installed as per Owens Corning requirements and in accordance with all generally accepted good roofing practices (using ARMA and NRCA standard application guidelines) and in compliance with the above-listed Eligibility Requirements numbered 1 through 4.

Exceptions to the "**Eligibility Requirements for This Limited Lifetime Warranty**" section may be made at the sole discretion of Owens Corning and must be approved in writing by Owens Corning prior to Roofing System installation.

WHAT IS COVERED

We warrant that the Owens Corning® Roofing System is free from any manufacturing defects that (1) materially affect their performance on the roof during the TRU PROtection® period or that (2) cause leaks during the balance of the applicable warranty period after the TRU PROtection® coverage period has expired. (To determine the length of the TRU PROtection® coverage period and the balance of the applicable warranty period, please see "**How Long Is Purchaser Covered**" below and the "**Limited Lifetime Warranty Information Table**" at the end of this limited lifetime warranty).

This limited lifetime warranty applies only to those shingles purchased after January 1, 2023, and before the date a later limited lifetime warranty applicable to the shingles comes into effect.

This limited lifetime warranty does not cover non-Owens Corning® roofing components, such as flashing, fasteners, pipe boots, and wood decking.

HOW LONG IS PURCHASER COVERED

ALL IMPLIED WARRANTIES APPLICABLE TO PURCHASER'S SHINGLES OR ROOFING SYSTEM ARE LIMITED IN DURATION TO THE TRU PROtection® COVERAGE PERIOD APPLICABLE TO SUCH PRODUCTS, AS PROVIDED BY THIS LIMITED LIFETIME WARRANTY, UNLESS A SHORTER PERIOD IS PERMITTED BY APPLICABLE LAW. SOME STATES OR PROVINCES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATION MAY NOT APPLY TO PURCHASER.

The length of Purchaser's limited lifetime warranty depends on the type of Owens Corning® Shingles Purchaser purchased. See the **"Limited Lifetime Warranty Information Table"** at the end of this limited lifetime warranty for the specific limited lifetime warranty period that applies to Purchaser's shingles. If Purchaser makes a claim under this limited lifetime warranty that results in a repair of Purchaser's roof, this limited lifetime warranty will be unaffected, as long as the repair is done by an Owens Corning Roofing Platinum or Preferred Contractor, and will continue to provide Purchaser with coverage on Purchaser's entire Roofing System provided that Owens Corning® Products are used in the repairs.

However, if Purchaser makes a claim that results in Purchaser's entire Roofing System being removed and replaced, this limited lifetime warranty will be void. If new Owens Corning® Shingles are installed, Purchaser will then receive an Owens Corning® Standard Product Limited Lifetime Warranty. However, if Purchaser once again installs an entire Roofing System, Purchaser will be eligible to purchase a new System Protection Limited Lifetime Warranty (or other Premium limited lifetime warranty), as long as the new Roofing System is installed by an Owens Corning Roofing Platinum or Preferred Contractor per the **"Eligibility Requirements for This Limited Lifetime Warranty."**

1. TRU PROTECTION® PERIOD

From the installation of the shingles through the TRU PROtection® coverage period of this limited lifetime warranty, Owens Corning will compensate Purchaser to either repair, replace, or recover defective products, including the cost of tear-off and disposal subject to certain limitations. See the **"Limited Lifetime Warranty Information Table"** at the end of the limited lifetime warranty for specific TRU PROtection® periods that apply to the Owens Corning® Shingles Purchaser has purchased. Owens Corning reserves the right to arrange directly for the repair or replacement of Purchaser's products instead of compensating Purchaser directly. This compensation is limited as follows:

- a. If Owens Corning decides to replace the shingles, Owens Corning will compensate Purchaser only for the cost of replacement Owens Corning® Shingles and the labor directly required to replace the defective shingles, both as reasonably determined by Owens Corning.
- b. If Owens Corning decides to repair or recover the shingles, Owens Corning will compensate Purchaser only for the cost of the labor directly required to repair or recover the defective shingles as reasonably determined by Owens Corning.
- c. The TRU PROtection® coverage period does not apply to Wind or Algae coverage. Please see **"What About Wind Resistance"** and **"What About Algae Resistance"** portions of this limited lifetime warranty for applicable coverage.

Under this System Protection Limited Lifetime Warranty, all Owens Corning® Products (see **"Eligibility Requirements for This Limited Lifetime Warranty"**) with the exception of VentSure® Off-Ridge Exhaust Vents share the TRU PROtection® period concurrent with the shingle installed. At the expiration of the TRU PROtection® period, all products revert to the coverage specified by their standard limited lifetime warranties.

Under the System Protection Limited Lifetime Warranty, if a cut Owens Corning® Supreme® Shingle is used instead of Owens Corning® Hip & Ridge Shingles, the limited lifetime warranty and TRU PROtection® period for the Supreme® Shingle is 15 years. The Owens Corning® Supreme® Shingles do not assume the limited lifetime warranty term for shingles used on the balance of the roof, unless the entire roof is installed with Supreme® Shingles. The TRU PROtection® period does not apply to wind coverage. Please see **"What About Wind Resistance"** for applicable coverage.

2. PRORATED PERIOD

During this prorated period, we will provide prorated compensation of the costs of the defective Owens Corning® Products, but no other costs will be covered, and we will take into account the number of full years of use the Purchaser has enjoyed from the original installation date through the date of Purchaser's claim, and reduce the amount of our compensation to Purchaser accordingly. We will prorate the amount of our compensation to Purchaser to adjust for the number of years the Purchaser has enjoyed from the original installation through the date of Purchaser's claim. For example: If Purchaser has a 25-year

warranty and the Purchaser makes a claim anytime in the 15th year of the limited lifetime warranty, our compensation to Purchaser will be reduced by 14/25ths of the Owens Corning® Product cost at the time of purchase. For limited lifetime shingle coverage (for as long as Owner owns the home on which the Roofing System is installed), see the **"Limited Lifetime Shingle Proration Table."** Owens Corning reserves the right to arrange directly for the repair or replacement of products instead of compensating directly.

3. OTHER TYPES OF STRUCTURES

The coverage for all Owens Corning® Shingles offered by this limited lifetime warranty depends on the structure on which the shingles are installed and the Purchaser of the structure. Limited lifetime coverage for all Owens Corning® Shingles applies only to single-family detached homes where the Purchaser of the roof is the resident occupying the home.

In the instance of shingles purchased or installed upon property owned by others (for example, corporations, governmental agencies, partnerships, trusts, religious organizations, schools, condominiums, homeowners associations, or cooperative housing arrangements) or installed on any other structures (for example, on apartment buildings or any other type of building or premises not used by individual homeowners as their residence), the warranty period for Oakridge® Shingles will be 40 years and all other limited lifetime shingles will be 50 years from the original installation date of the shingles, and the TRU PROtection® period will be 20 years. Please see the **"Limited Lifetime Shingle Proration Table"** below for the prorated formula after TRU PROtection® coverage expires for limited lifetime shingles.

Limited Lifetime Shingle Proration Table

STRUCTURE/ OWNER	TRU PROTECTION® PERIOD YEARS 1-50	PRORATED PERIOD YEARS 51 AND BEYOND	
	YEARS 1-20	YEARS 21-40 OAKRIDGE SHINGLES ONLY	YEARS 21-50 ALL OTHER LIFETIME SHINGLES
Single-family detached homes	100%++	20%	
Other types of structures	100%++	50% reduced by 2.5% each year thereafter^	60% reduced by 2% each year thereafter^

△ For as long as Owner owns home.

^ Proration is calculated annually, based on the original installation date. There are no partial-year prorations.

++ Of costs covered under this limited lifetime warranty.

4. EXCEPTIONS

All of the Owens Corning Obligation of Compensation under this limited lifetime warranty, whether for repair, replacement, recovery, or refunding a prorated portion of the cost of the defective Owens Corning® Products, are subject to the limitations provided by this limited lifetime warranty. Owens Corning will not compensate for the removal and replacement of solar panels or other rooftop equipment.

5. WHAT ABOUT WIND RESISTANCE

Owens Corning shingles contain asphalt sealant that requires direct warm sunlight for several days (Thermal Sealing) in order to seal properly. If shingles are installed during a period of cool weather, they may not adequately seal until the weather warms, and if shingles never receive direct sunlight or are not exposed to adequate surface temperatures, they may never achieve Thermal Sealing. Prior to shingles achieving Thermal Sealing, shingles are more vulnerable to blow-offs and wind damage. This is the fundamental nature of shingles and not a manufacturing defect, and we are not responsible for any blow-offs or wind damage that might occur prior to Thermal Sealing having occurred. After shingles have achieved Thermal Sealing, however, they will be covered under this limited lifetime warranty if they experience blow-offs or wind damage in winds (including gusts) up to the levels and for the period from the original installation date (**"Wind Warranty Period"**) listed in the **"Limited Lifetime Warranty Information Table"** listed in the chart at the end of this limited lifetime warranty.

HOWEVER, THE COVERAGE AGAINST SHINGLE BLOW-OFFS OR WIND DAMAGE IS IN EFFECT FOR A PERIOD OF 15 YEARS FOR LIMITED LIFETIME SHINGLES AND 5 YEARS FOR SUPREME® SHINGLES, FROM THE ORIGINAL DATE OF INSTALLATION.

Owens Corning will be liable only for the reasonable cost of replacing blown-off shingles and Owens Corning® Hip & Ridge Shingles, if applicable (to include material and labor during the applicable TRU PROtection® warranty period) and the reasonable cost of manually sealing the unsealed shingles remaining on the roof.

Owens Corning is not responsible where the damage or blow-offs are caused by damage to the underlying structure. Please refer to the **“Transferability of This Limited Lifetime Warranty”** for applicable transfer coverage.

6. WHAT ABOUT ALGAE RESISTANCE

If the shingles that Purchaser purchased were not specifically labeled as **“Algae Resistant”** (AR), then any discoloration caused by algae is not covered by this limited lifetime warranty as explained in **“What Is Not Covered.”** However, if Purchaser did purchase AR shingles, they are covered for the period described in the **“Limited Lifetime Warranty Information Table”** at the end of this limited lifetime warranty following the date of installation (**“AR Warranty Period”**) against brown-black staining caused by growth of cyanobacteria *Gloeocapsa magma* algae. To be eligible for 25-year AR coverage, Purchaser must use one of the following Owens Corning® Hip & Ridge Shingles: Berkshire®, DecoRidge®, DuraRidge®, ImpactRidge®, ProEdge®, or RIZERidge®. We do not cover the effects of other growth, such as mold, lichen, and green algae. If brown-black staining occurs during the AR Warranty Period, Purchaser will be entitled to the following remedy:

- a. **Non-Prorated Period** — From the installation of the shingles until fifteen (15) years after the date of installation, we will compensate Purchaser for the cost, including labor (such cost not to exceed the cost of the AR shingles plus the cost of installation), as reasonably determined by Owens Corning, to repair, replace, or recover the affected AR shingles. For purposes of this AR shingle limited lifetime warranty, the term “repair” as used above refers to cleaning or otherwise removing any algae growth from affected AR shingles. Decisions regarding whether Purchaser’s AR shingles should be repaired, replaced, or recovered will be made solely by Owens Corning.
- b. **Prorated Period** — Once the non-prorated coverage period for algae resistance (as described above) has expired, the prorated period will begin. During this prorated period, we will provide compensation limited to a prorated amount of the cost of the affected AR shingles. No labor or other costs will be covered during the prorated period, and we will take into account the number of full years of use that Purchaser has enjoyed from the original installation date through the date of Purchaser’s claim, and reduce the amount of our compensation to Purchaser accordingly. For example: If Purchaser purchased a shingle with a 25-year AR warranty period, and makes a claim anytime in the 16th year of the limited lifetime warranty, our compensation to Purchaser will be the amount of the cost of the affected Owens Corning® AR Shingle Products reduced by 16/25ths of the cost at the time of purchase of the affected AR Shingle Products.
- c. ****If a qualifying Owens Corning® manufactured Hip & Ridge shingle is **not** used, the AR warranty period is reduced from 25 to 10 years, and the non-prorated period will be 1 year.
- d. See **“Limited Lifetime Warranty Information Table”** below for applicable AR product coverage.

NOTE: In some coastal areas and/or areas with limited rainfall, copper released by algae-resistant shingles can cause excessive corrosion to aluminum gutters. In these regions, Owens Corning recommends using vinyl gutters and will not be liable for any damage that may result from using aluminum gutters with algae-resistant shingles.

TRANSFERABILITY OF THIS LIMITED LIFETIME WARRANTY (BASED ON ORIGINAL INSTALLATION DATE) Single-family Detached Homes

This limited lifetime warranty is not transferable except as follows: Purchaser may only transfer this limited lifetime warranty one time, anytime during the life of the limited lifetime warranty, to the purchasers

of the structure on which the shingles are installed. For this limited lifetime warranty to transfer and the second Owner to obtain the benefits of this limited lifetime warranty, the second Owner must, within 60 days after the date of the real estate transfer, contact 1-800-ROOFING and submit together: (1) proof of purchase of the Owens Corning® Roofing System (2) the installation date and the ownership history and (3) a fee of \$100.00.

1. If the transfer takes place within the first 15 years for Supreme® Shingles or 20 years for limited lifetime shingles, the second Owner is entitled to the balance of the TRU PROtection® Period.
2. If the transfer occurs after the first 15 years for Supreme® Shingles or 20 years for limited lifetime shingles, the balance of this limited lifetime warranty shall be (check alignment) reduced to a 2-year period after the date of ownership change. If there is a manufacturing defect that causes leaks during this 2-year period, our compensation to the second Owner will be based only on the reasonable cost of the replacement Roofing System reduced by the amount of use enjoyed from the original installation date through the date of Purchaser’s claim.
3. The AR Warranty Period and Wind Warranty Period are fully transferable. The second Owner will receive the balance of the coverage outlined in the **“Limited Lifetime Warranty Information Table”** based upon the original installation date.

Other Types of Structures

This limited lifetime warranty is not transferable except as follows: Purchaser may transfer this limited lifetime warranty one time, anytime during the life of the warranty, to the purchaser of the structure on which the shingles are installed.

For this limited lifetime warranty to transfer and the second Owner to obtain the benefits of this limited lifetime warranty, the second Owner must, within 60 days after the date of the real estate transfer, contact 1-800-ROOFING and submit together: (1) proof of purchase of the Owens Corning® Roofing System and (2) the installation date and ownership history, and (3) a fee of \$100.00.

1. If the transfer takes place within the first 15 years for Supreme® Shingles or 20 years on lifetime shingles, the second Owner is entitled to the same coverage as the original Owner.
2. If the transfer occurs after the first 15 years for Supreme® Shingles or 20 years for lifetime shingles, the balance of this limited lifetime warranty shall be reduced to a 2-year period after the date of ownership change. If there is a manufacturing defect that causes leaks during this 2-year period, our compensation to the second Owner will be based only on the reasonable cost of the replacement Roofing System reduced by the amount of use the second Owner and the original Owner have enjoyed from the original installation date through the date of Purchaser’s claim.
3. The AR Warranty Period and Wind Warranty Period are fully transferable. The second Owner will receive the balance of the coverage outlined in the **“Limited Lifetime Warranty Information Table.”**

REPLACEMENT SHINGLE VARIATION

As a result of our ongoing efforts to improve and enhance our shingle and product line, we must reserve the right to discontinue or modify our shingles and products, including their colors. We are not liable to Purchaser if Purchaser makes a warranty claim in the future and any replacement shingles or products Purchaser receives vary in color either because of normal weathering or changes in our shingle or product line. Purchaser should understand that, if we replace any shingles or products under this limited lifetime warranty, we reserve the right to provide Purchaser with substitute shingles and products that are comparable only in quality and/ or price to Purchaser's original shingles and products.

COMPENSATION

Under the terms of this limited lifetime warranty, the manner of compensation is at the sole discretion of Owens Corning and may be arranged directly by Owens Corning or issued in the form of cash settlement and/or material credit for Owens Corning® Products to an existing supplier of Owens Corning® Roofing Materials. All costs must be pre-approved by Owens Corning.

CLAIMS PROCESS & RIGHT OF INSPECTION

To make a claim under this limited lifetime warranty, Purchaser must do so within 30 days after Purchaser discovers the problem. To fully evaluate Purchaser claim, we may ask Purchaser to provide, at Purchaser expense, pictures of Purchaser shingles or shingle samples for us to test. Purchaser must do so in order to be eligible to make a claim under this limited lifetime warranty. To make a claim or if Purchaser has any questions, do not hesitate to call 1-800-ROOFING or visit us at www.owenscorning.com/roofing. If Purchaser repairs or replaces Owens Corning® Products before Owens Corning has made a determination on Purchaser claim, Purchaser's claim may be denied. Owens Corning shall have a reasonable time after notification of a claim to inspect the roof. If requested by Owens Corning, the Purchaser shall provide Owens Corning with reasonable access to the roof, during normal business hours, for the purpose of conducting an inspection of the roofing products.

NO MODIFICATIONS TO THIS LIMITED LIFETIME WARRANTY

The terms of this limited lifetime warranty may not be waived or modified. This limited lifetime warranty represents the entire agreement between the parties and replaces all other communications, warranties, representations, and guarantees.

This limited lifetime warranty evidences a transaction in interstate commerce, and the Federal Arbitration Act governs the interpretation and enforcement of this provision. A party who intends to seek arbitration must first send to the other, by certified mail, a written notice of intent to arbitrate ("Notice"). The Notice must (a) describe the nature and basis of the claim or dispute and (b) set forth the specific relief sought ("Demand"). If the parties do not reach an agreement to resolve the claim within 30 days

after Notice is received, Purchaser or Owens Corning may commence an arbitration proceeding. All issues are for the arbitrator to decide, including the scope of this arbitration clause, but the arbitrator is bound by the terms of this limited lifetime warranty. The arbitration shall be governed by the Commercial Dispute Resolution Procedures and the Supplementary Procedures for Consumer Related Disputes (collectively, "AAA Rules") of the American Arbitration Association ("AAA"), as modified by this limited lifetime warranty, and shall be administered by the AAA.

PURCHASER AND OWENS CORNING HEREBY WAIVE THE RIGHT TO A TRIAL BY JURY.

The arbitrator may award injunctive relief only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that party's individual claim.

PURCHASER AND OWENS CORNING MAY BRING CLAIMS AGAINST THE OTHER ONLY IN EACH PARTY'S INDIVIDUAL CAPACITY, AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE PROCEEDING.

Further, Purchaser agrees that the arbitrator may not consolidate proceedings of more than one person's claims and may not otherwise preside over any form of a representative or class proceeding.
